

Social Media, Email, Text and Apps Policy

Everyone in the club is reminded that our codes of conduct, constitution and all other policies apply online, in text, app and email communications just as they do in the 'real world.'

Keep in mind the following when communication via social media, texts, apps and email. Gunnersbury Women's CC does not encourage contact on social networking sites with the children they coach and play matches with in open age cricket. All contact should be directed through the club's official social media accounts and those interactions will be limited to training, coaching, matches and purely cricket related matters.

- Respecting differences, appreciating the diversity of opinions and speaking or conducting yourself in a professional manner is expected at all times.
- Use common sense. You should refrain from posting comments or other posts about drug or alcohol abuse, profanity, off-colour or sexual humour, and other inappropriate conduct. Don't use ethnic slurs, personal insults, obscenity, or engage in any conduct that would not otherwise be acceptable in the cricket club itself.
- Show proper respect for people's privacy and for topics that may be considered objectionable or inflammatory, like politics and religion.
- Respect the law, including those laws governing defamation, discrimination, harassment, and copyright and fair use.
- Don't use Gunnersbury Women's CC's logo, unless specifically authorised to do so.
- Don't reference Gunnersbury Women's CCs members without their approval.
- You should at all times act with the high standard that is expected due to your members status and maintain proper relationships with the people you come across in the course of your membership.
- It is recommended that your privacy settings are adjusted so that content is only visible to accepted 'friends'.
- All members, coaches and players are advised not to accept 'friend requests or follow requests' on social media with children at the club.

*Children refers to any person under the age of 18.
